1. Organizational pro		content of contineport2021 and rage
102-1	a. Name of the organization.	
Name of the		Company Profile • Group Companies (P8-9)
organization	a. A description of the supervised a stilling	
102-2 Activities, brands, products, and	 a. A description of the organization's activities. b. Primary brands, products, and services, including an explanation of any products or services that are banned in certain markets. 	Company Profile · Group Companies (P8-9) Our Product Line-up (P10-11)
services 102-3	a. Location of the organization's headquarters.	
Location of headquarters		Company Profile • Group Companies (P8-9)
102-4	a. Number of countries where the organization operates, and the names of countries where it has significant operations and/or that are	
Location of	relevant to the topics covered in the report.	Global Network (P9)
operations 102-5	a. Nature of ownership and legal form.	
Ownership and legal form		Company Profile • Group Companies (P8-9)
102-6 Markets served	 a. Markets served, including: i. geographic locations where products and services are offered; ii. sectors served; 	Our Product Line-up (P10)
102-7	iii. types of customers and beneficiaries. a. Scale of the organization, including:	
Scale of the	i. total number of employees;	
organization	ii. total number of operations;	Company Profile · Group Companies (P8-9)
	 iii. net sales (for private sector organizations) or net revenues (for public sector organizations); iv. total capitalization (for private sector organizations) broken down in terms of debt and equity; v. quantity of products or services provided. 	Company Frome - Group Companies (Fo-9)
102-8	a. Total number of employees by employment contract (permanent and temporary), by gender.	
Information on	b. Total number of employees by employment contract (permanent and temporary), by region.	
employees and	c. Total number of employees by employment type (full-time and part-time), by gender.	
other workers	d. Whether a significant portion of the organization's activities are performed by workers who are not employees. If applicable, a	Employee diversity (P26)
	description of the nature and scale of work performed by workers who are not employees.	
	e. Any significant variations in the numbers reported in Disclosures 102-8-a, 102-8-b, and 102-8-c (such as seasonal variations in the tourism or agricultural industries).	
	f. An explanation of how the data have been compiled, including any assumptions made.	
102-9	a. A description of the organization's supply chain, including its main elements as they relate to the organization's activities, primary	
Supply chain	brands, products, and services.	NAMICS' material purchasing policy (P25)
102-10	a. Significant changes to the organization's size, structure, ownership, or supply chain, including:	
Significant changes to the organization	 Changes in the location of, or changes in, operations, including facility openings, closings, and expansions; Changes in the share capital structure and other capital formation, maintenance, and alteration operations (for private sector 	
-	organizations);	Full-scale operation of new production facility
	ii. Changes in the location of suppliers, the structure of the supply chain, or relationships with suppliers, including selection and termination.	
102-11	a. Whether and how the organization applies the Precautionary Principle or approach.	
Precautionary	· · · · · · · · · · · · · · · · · · ·	Reduction of Environmental impact for Sustainability (P19-
Principle or		24)
approach		
102-12 External initiatives	 A list of externally-developed economic, environmental and social charters, principles, or other initiatives to which the organization subscribes, or which it endorses. 	-
102-13	a. A list of the main memberships of industry or other associations, and national or international advocacy organizations.	
Membership of		Editorial Policy (P2)
associations		
2. Strategy 102-14	a. A statement from the most senior decision-maker of the organization (such as CEO, chair, or equivalent senior position) about the	
Statement from senior decision-	a A statement from the most senior decision-maker or the organization (such as CLC), chan, or equivalent senior position) about the relevance of sustainability.	Philosophy • Fundamental Management Policy • CSR Fundamental Policy Message from Our president (P3-7)
maker	a. A description of key impacts, risks, and opportunities.	
102-15 Key impacts, risks,	ia, a description or key impacts, risks, and opportunities.	CSR Fundamental Policy,
and opportunities		Message from Our president (P5-7)
3. Ethics and integrit		
102-16 Values, principles,	a. A description of the organization's values, principles, standards, and norms of behavior.	Philosophy · Fundamental Management Policy · Activity
standards, and		Guideline (P3-4)
norms of behavior		
102-17 Mechanisms for	 A description of internal and external mechanisms for: i. seeking advice about ethical and lawful behavior, and organizational integrity; 	Corporate Governance (P12)
	ii. reporting concerns about etnical and lawidi benavior, and organizational integrity; ii. reporting concerns about unethical or unlawful behavior, and organizational integrity.	Permanent Hot line establishment (P28)
about ethics		-
4. Governance 102-18	a. Governance structure of the organization, including committees of the highest governance body.	
Governance	 a. Governance structure or the organization, including committees or the highest governance body. b. Committees responsible for decision-making on economic, environmental, and social topics. 	Corporate Governance (P12)
structure		CSR Promotion Structure (P14)
102-19	a. Process for delegating authority for economic, environmental, and social topics from the highest governance body to senior executives	Corporate Governance (P12)
	and other employees.	CSR Promotion Structure (P14)
102-20	a. Whether the organization has appointed an executive-level position or positions with responsibility for economic, environmental, and	
Executive-level	social topics.	Corporate Governance (P12)
responsibility for economic,	b. Whether post holders report directly to the highest governance body.	CSR Promotion Structure (P14)
environmental, and		
social topics		
102-21 Consulting	 a. Processes for consultation between stakeholders and the highest governance body on economic, environmental, and social topics. b. If consultation is delegated, describe to whom it is delegated and how the resulting feedback is provided to the highest governance 	
Consulting stakeholders on	b. If consultation is delegated, describe to whom it is delegated and how the resulting feedback is provided to the highest governance body.

GRI 102: General Sta		
 Stakeholder engag 102-40 	ement a. A list of stakeholder groups engaged by the organization.	
List of stakeholder	a. A list of stakeholder groups engaged by the organization.	Specifying Key CSR Issues for NAMICS Group (P16)
groups 102-41 Collective bargaining	a. Percentage of total employees covered by collective bargaining agreements.	-
agreements 102-42 Identifying and selecting	a. The basis for identifying and selecting stakeholders with whom to engage.	Specifying Key CSR Issues for NAMICS Group (P16)
stakeholders 102-43 Approach to stakeholder	a. The organization's approach to stakeholder engagement, including frequency of engagement by type and by stakeholder group, and an indication of whether any of the engagement was undertaken specifically as part of the report preparation process.	Specifying Key CSR Issues for NAMICS Group (P16)
engagement 102-44 Key topics and concerns raised	 a. Key topics and concerns that have been raised through stakeholder engagement, including: i. how the organization has responded to those key topics and concerns, including through its reporting; ii. the stakeholder groups that raised each of the key topics and concerns. 	Specifying Key CSR Issues for NAMICS Group (P16)
5. Reporting practice		
102-45 Entities included in the consolidated financial statements	 a. A list of all entities included in the organization's consolidated financial statements or equivalent documents. b. Whether any entity included in the organization's consolidated financial statements or equivalent documents is not covered by the report. 	Editorial Policy (P2)
102-46 Defining report content and topic Boundaries	 a. An explanation of the process for defining the report content and the topic Boundaries. b. An explanation of how the organization has implemented the Reporting Principles for defining report content. 	Editorial Policy (P2)
102-47 List of material topics	a. A list of the material topics identified in the process for defining report content.	Editorial Policy (P2) Specifying Key CSR Issues for NAMICS Group (P16)
102-48 Restatements of information	a. The effect of any restatements of information given in previous reports, and the reasons for such restatements.	-
102-49 Changes in reporting	a. Significant changes from previous reporting periods in the list of material topics and topic boundaries.	=
102-50 Reporting period	a. Reporting period for the information provided.	Editorial Policy (P2)
102-51 Date of most recent report	a. If applicable, the date of the most recent previous report.	Editorial Policy (P2)
Reporting cycle	a. Reporting cycle	Editorial Policy (P2)
102-53 Contact point for questions regarding the report	a. The contact point for questions regarding the report or its contents.	General affairs Group CSR (P35)
102-54 Claims of reporting in accordance with the GRI Standards	 a. The claim made by the organization, if it has prepared a report in accordance with the GRI Standards, either: i. 'This report has been prepared in accordance with the GRI Standards: Core option'; ii. 'This report has been prepared in accordance with the GRI Standards: Comprehensive option' 	Editorial Policy (P2) and GRI standard Core option
102-55 GRI content index	 a. The GRI content index, which specifies each of the GRI Standards used and lists all disclosures included in the report. b. For each disclosure, the content index shall include: i. the number of the disclosure (for disclosures covered by the GRI Standards); ii. the page number(s) or URL(s) where the information can be found, either within the report or in other published materials; iii. if applicable, and where permitted, the reason(s) for omission when a required disclosure cannot be made. 	Editorial Policy (P2) and GRI standard core option
102-56 External assurance	 a. A description of the organization's policy and current practice with regard to seeking external assurance for the report. b. If the report has been externally assured: i. A reference to the external assurance report, statements, or opinions. If not included in the assurance report accompanying the sustainability report, a description of what has and what has not been assured and on what basis, including the assurance standards used, the level of assurance obtained, and any limitations of the assurance process; ii. The relationship between the organization and the assurance provider; iii. Whether and how the highest governance body or senior executives are involved in seeking external assurance for the organization's sustainability report. 	-
103 : Management A		
103-1 Explanation of the material topic and ts Boundary	 a. An explanation of why the topic is material. b. The Boundary for the material topic, which includes a description of: i. where the impacts occur; ii. the organization's involvement with the impacts. For example, whether the organization has caused or contributed to the impacts, or is directly linked to the impacts through its business relationships. c. Any specific limitation regarding the topic Boundary. 	Editorial Policy (P2) Specifying Key CSR Issues for NAMICS Group (P16)
103-2 The management approach and its	 a. An explanation of how the organization manages the topic. b. A statement of the purpose of the management approach. c. A description of the following, if the management approach includes that component: 	
ipproach and its	 c. A description of the following, if the management approach includes that component: i. Policies ii. Commitments iii. Goals and targets iv. Responsibilities v. Resources vi. Grievance mechanisms vii. Specific actions, such as processes, projects, programs and initiatives 	-
103-3 Evaluation of the management approach	 a. An explanation of how the organization evaluates the management approach, including: i. the mechanisms for evaluating the effectiveness of the management approach; ii. the results of the evaluation of the management approach; iii. any related adjustments to the management approach. 	-
